SUBMISSION OF SUBSTITUTE DECLARATION OF INVENTORS

Sir:

Enclosed is a substitute Declaration and Power of Attorney for Patent Application. On January 14, 2004, Applicant filed a response to an Office Action/Advisory Action accompanied by a petition to correct the inventorship of the above-referenced application. Subsequent review of the file history revealed that it was unclear whether the petition was ever granted.

On September 16, 2005, Applicant filed a Communication Re Application Allowed for Issuance to once again request correction of the inventorship of the above-referenced application. After filing this Communication, Counsel for Applicant had several telephone conversations with Examiner Allan Hoosain to ensure the entry of correction of the inventorship.

On October 12, 2005, counsel for Applicant accessed the private PAIR system and determined that the inventorship for the above-referenced application had been properly corrected to include Marc A. Cohen, John J.

Csaszar and Michael Cudemo as co-inventors for this application (copy of PAIR printout attached).

In light of the correction of the inventorship, Applicant hereby submits a newly executed Declaration and Power of Attorney for the above-referenced application. This Declaration and Power of Attorney has been signed by all three currently listed inventors for this application. It replaces all previous Declarations and Powers of Attorneys filed for this application. Additionally, the enclosed Declaration correctly identifies the application as a continuation-in-part of Application No. 08/869,753 (now U.S. Patent No. 5,970,124).

Should any further issues arise with regard to this application, Applicant's counsel may be contacted as indicated below.

Respectfully Submitted,
